What we offer;

- As part of one of Turkey's largest Testing companies, the opportunity to be active in both Turkey and global market's projects,
- Mingling with Turkey's top brands and dynamic teams,
- If you are a foodie like us - a loaded meal card, if you get sick – your private health insurance and just so you would look "oh so fit at the beach in summer" - your dietician is on us!
- Working with new technologies and using the latest model equipment,
- Working in a young and dynamic team,
- If progress is what you need, we offer you the Testinium Academy; if not enough - a Masters degree and even more a Doctoral degree at contracted reputable universities,
- If you pass the certification exam - your expenses; if the candidate you proposed to the open position gets the job - your quarter gold coin reward will be on us,
- Your orientation program to quickly capture the spirit of being in Testinium family and get the feeling of "I've been a Testiniumer for a long time" and a Buddy who will constantly support you in your early days!
- On your birthday – partying leave, if you are a mother / father - parental leave, 'I need to take care of something' leave and if you are enrolled in school - 'I'm studying man, I need to go to school' leave :)
- If the qualifications we are looking for suit you, what are you waiting for, join us :)
